BUSINESS LICENSES

The Town of Preeceville would like to remind everyone that in order to conduct business within the Town of Preeceville, any person who is a contractor, home based business operator, petty trade business operator or a transit trader must obtain an annual business license. There are separate rates for business licenses depending on the yearly income. Come in or call the Town Office at 547-2810 for more information on getting your business license this coming year. The Town of Preeceville would also like to remind anyone with current town business licenses that come January 1st, 2016; all licences become void and must be renewed to be valid for the 2016 year.

SNOW REMOVAL AND PARKING

Winter is now here and the Town of Preeceville would like to remind you to avoid shovelling or ploughing your snow on to the streets, back alleys and sidewalks. Piling snow on to these areas causes extra work for the snow removal crew which delays other streets from being cleared. Snow piles also become packed and freeze, which may cause damage to the snow removal equipment. Also, please be reminded that vehicles are not to be parked on the street for more than a 24 hours period and vehicles are not to be parked so that they are obstructing a sidewalk, as this can also obstruct and reduce snow removal. The public's cooperation regarding snow removal and parking is greatly appreciated.
